Harrows Chicken Pies has been in Reading, MA for 70 years making the **BEST** chicken pies in New England.

Now, the *NEXT GENERATION* is here . . .  
**Harrows Home-style Frozen Chicken Pies.**

They're a little different, but just as tasty . . .

the **BEST FROZEN CHICKEN PIES** available at your local market's freezer.

The pies are 3lbs, 4 servings, all white meat with potatoes and carrots, delicious gravy, and topped off with a pastry crust.

*Our chicken pies are still made the same way they were in 1930, with slow cooked chicken and homemade gravy made from scratch every day. They are made just the way your grandmother would have made them 60 years ago, or you would today if you had the time. The pies are a cold weather favorite, and are a perfect fit for our New England weather. Our chicken pies can be ordered ahead to pick up hot and ready to eat. They are available in four different sizes, ranging from 1-6 servings. They are perfect to fit any size family.*
