

# Peggy Lawton Kitchens Inc.

Primary SIC: Cookies & Crackers, Primary NAICS: Cookie and Cracker Manufacturing  
Description: Manufacturing: Cookies and crackers.

*For 60 years, Peggy Lawton turns out baked goods that New Englanders love. From its bustling bakery in Walpole, Massachusetts, Peggy Lawton's Choco-chip cookies have quietly built a devoted following all over the country. Peggy Lawton is comfort food. When you taste one, it will taste just as you remember years ago and won't be disappointed. The products are still the same as when we began. The best ingredients you can find with no preservatives.*

Brownie Ingredients: cane sugar, wheat flour, pasteurized whole eggs, kosher vegetable oil shortening (partially hydrogenated soybean oil), chocolate, corn syrup, salt and baking powder (sodium pyrophosphate, bicarbonate of soda, cornstarch, monocalcium phosphate and calcium sulfate).
